Guiding Documents
OAP’s Data Integrity Strategy
Specific Data Integrity Objectives
Data Integrity Resources
GUIDING DOCUMENTS
WASHINGTON STATE GOVERNANCE DOCUMENTS

• Revised Code of Washington (RCW)
• Washington Administrative Code (WAC)
UNIVERSITY GOVERNANCE DOCUMENTS

• Administrative Policy Statements
• Board of Regents Governance
• Presidential Orders
• Faculty Code
• Librarian Personnel Code
• Collective Bargaining Agreements (Postdocs, Residents & Fellows, Extension Lecturers)
POLICY GUIDANCE

• Academic HR web pages:
  • Academic Titles and Ranks
  • Policies and Procedures
QUESTIONS?

• Is there a way to be notified when a policy or procedural change has been announced?
  • Policy and procedural changes are usually announced in the eDigest prior to taking effect. Those announcements will include the effective date of the change and any applicable grace period. Additionally, we create space for questions around new policies and procedures during the Quarterly Administrators Forums. Visit the OAP Upcoming Trainings and Forums page for the 2020-21 schedule.
OAP DATA INTEGRITY
STRATEGY
THE 5 C’S

OAP’s data integrity strategy can be encapsulated by the five c’s

• Current
• Correct
• Complete
• Consistent
• Compliant
CURRENT

Academic Appointment and Position details are up-to-date and reflect any recent changes

• Appointments and Positions have end dates in the future
• Fall outs from EIBs have been manually entered in Workday by unit administrators
  • Promotions
  • Reappointments
  • Reorganization, Consolidation, Elimination of Programs (RCEPs)
  • Summer Hiatus
ACTIVITY!

Which of OAP’s audit reports in Workday relate to this data integrity principles?

Please open the “Participants” tab so you can join in!

More than answer may be correct.
AUDIT REPORTS: CURRENT

R0623: Academic Positions with Invalid Service Periods

R0469: Academic Workers without Primary Academic Appointments identifies academic workers who do not have a current primary academic appointment

R0361: Expired & Expiring Academic Appointments identifies appointments that are no longer current.
CORRECT

The data entered accurately reflects the details captured in the person’s offer letter, reappointment letter or other relevant documents

• Start and end dates
• Academic Rank/Job Profile
• Appointing Unit/Supervisory Organization
• Roster/FTE/Tenure

AUDIT REPORTS: COMPLETE

R0686: Waiver Year Actions without Waiver Year Entries

R0659: Academic Salaries Below State Minimum

R0663: Invalid Academic Position End Dates

R0686: Waiver Year Actions without Waiver Year Entries identifies appointments that were updated using a “waiver” reason code, but don’t have a waiver year entered in the “Additional Data” section.

R0663: Invalid Academic Position End Dates identifies positions that are fixed term, but do not have an end employment date.

R0686 is a new report in Workday to support the new Waiver Year custom object and the promotion and tenure review process.
CONSISTENT

The data entered for position(s) and appointment(s) match
• Job Profile ≈ Academic Rank
• Primary appointment ranks ≈ Secondary appointment ranks
• Start & End Dates (as appropriate)
• Supervisory Organization ≈ Academic Unit
AUDIT REPORTS: CONSISTENT

R0612: Academic Appointees without Active Positions

</table>
• What are appointment identifiers?
  • They describe the appointment on a high level and are a key categorization tool. The four identifiers are:
    • **Primary** - all individuals with academic appointments must have one and only one active appointment with this identifier)
    • **Joint** – secondary appointments in the following track types: tenure/tenure track, research, without tenure due to funding, teaching, clinical – dental pathway
    • **Dual** – secondary appointments in the following track types: acting, adjunct, affiliate, clinical salaried, clinical non-salaried, visiting, lecturer, endowed, among others
    • **Administrative** – secondary appointments in the administrative and administrative emeritus track types

• What is the roster value?
  • The contracted rate of FTE from the offer letter, reappointment letter, or contract.
SPECIFIC DATA INTEGRITY OBJECTIVES
WHY CLEAN DATA IS IMPORTANT

- Documentation
- Executive Decision Making
- University-wide Reporting
- Operational Dependencies
Workday is the University of Washington’s database of record for human resources and payroll data.

Data is fed from Workday through the Enterprise Data Warehouse (EDW) to systems like MyGrad, ORIS, OAP’s Promotion & Tenure Portal, and many others.
EXECUTIVE DECISION MAKING

Strategic Planning
Operational Planning
Budgeting
UNIVERSITY-WIDE REPORTING

Workday is the source for all reporting done across the University

- Affirmative Action Plan
- IPEDS
- AAUP
- University/College/Departmental Accreditation
- Public Records Requests
- Great Colleges
- UW’s Bond Rating
- Local, State, and Federal Agencies
OPERATIONAL DEPENDENCIES

Unit & OAP Priorities
- Promotion & Tenure
- Sabbaticals
- Reappointment
- Summer Hiatus
- Merit Adjustments
- Compensation

Individual Priorities
- Employment verification
- Benefits
- Retirement
- Building Access
- Systems Access
- Campus Identification
