

OVERVIEW

UW APS 40.1 defines academic personnel as faculty, librarians, residents and fellows, postdoctoral scholars, and academic staff. This report, created annually by the Office of Academic Personnel (OAP), presents data on faculty appointed to tenure, without tenure by reason of funding (WOT), research, and teaching tracks as of October 31, 2020. In addition, the international scholars data represents all individuals on OAP-sponsored J-1 or H-1B visas. Note: This is the first year UW has data for the newly-established teaching track, which includes all eligible lecturers, senior lecturers, and principal lecturers who converted to the new track on September 16, 2020.
